## *Choosing* a Denver Public School

Denver Public Schools recognizes that each child learns differently. To help meet students' unique needs and ensure their success in school, the district offers a wide array of programs and special schools.

Students may enroll in any school in the district, regardless of where they live, if there is space available and they meet the entrance requirements. The best thing to do is visit a few schools that are of interest to you and your child. To locate your neighborhood school, call the School Boundary Hotline at **(720) 423-3400,** or search online by entering your home address at **http://www.dpsk12.org.**

For more information about DPS Schools, request an **Enrollment Guide** today, at **(720) 423-3300.**
